

## Newsletter Submission

The new school year is now well underway, and as always safety is one of our top priorities. I would like to address our student pick-up and drop-off procedures to ensure the most orderly, efficient, and safe methods are being practiced. Currently all pick-up and drop-offs should occur at either the Door 1 or Door 3 loops. A single-file line should be followed until a student can safely enter the vehicle at curbside. Please refrain from allowing students to cross the traffic to enter a vehicle. When your child is safely in your vehicle, you may cautiously use the left lane to exit. Always be alert for other vehicles and pedestrians. We appreciate your cooperation with these procedures. If you have questions or concerns, you may contact Officer Flynn at extension 2213.

Sincerely,

Officer Flynn - School Resource Officer
