

Install Microsoft Office at Home

Our license with Microsoft allows you to install Office programs on your personal computer for free.

Visit www.office.com

Sign in with your student email address: **studentID#@brownsburgstudents.com** and school computer password.

You should see the Brownsburg Community Schools Logo on the password page.

When you are logged into your email account, click on the words “Install Office” at the top right. Choose the top option “Office 365 apps” and begin the install.

Office 365

Good morning

Search

Install Office

Office 365 apps
Includes Outlook, OneDrive for Business, Word, Excel, PowerPoint, OneNote, and more.

Other install options
Install a different language, the 64-bit version, or other apps available with your subscription.

If you forget your password, please ask your teacher to create a Help Desk ticket to have your password reset.

If you are a parent of a student in grades K – 2, visit the Student Resources page of our website and fill out the form.
