Harris Academy is a joint services agreement between Avon Community School Corporation and Brownsburg Community School Corporation. **Rules and requirements of each high school will govern students coming from each corporation.**

# **PHILOSOPHY**

## **MISSION STATEMENT**

The Faculty and staff of Harris Academy will provide quality educational opportunities to promote each student's maximum potential, encourage lifelong learning, present a variety of interrelated challenges, and maintain democratic ideals in a positive education environment structured to meet each student's individual needs, enabling students to become fully engaged citizens who can operate in a global society.

## **VISION STATEMENT**

- To provide a learning community where all students are engaged in challenging, personalized and flexible programs of study; and
- To inspire hope and garner mutual respect through multi-dimensional partnerships; and
- To afford all students opportunities for academic and personal success, with the goal of becoming responsible, productive members of a global society.

## **CORE BELIEFS**

- All students can learn
- Our efforts must empower students, not enable them
- All students are valued and respected
- All students will learn in a safe and secure environment

# **ATTENDANCE**

## **ATTENDANCE POLICY**

Regular attendance is essential for normal progress and is required to receive maximum benefit from the educational experience. Attendance at Harris Academy is governed by the Indiana code and local policy adopted by Harris Academy Board of Governors. The State of Indiana places education at the top of its priorities. Accordingly, it is incumbent upon Harris Academy to use every reasonable measure to instill dutiful attendance habits in every student. A day lost in the classroom can never be completely retrieved. The dialogue between the teacher and the students in a classroom environment cannot be effectively duplicated. A very high positive correlation exists between formal learning and school attendance.

## **REPORTING STUDENT ABSENCE**

Parents are expected to telephone the school by 10:00 am to report a student absence. Parents may dial 852-1010 and leave a message. Failure to call will result in your student being considered truant. After 24 hours, without contact from a parent or guardian, absences cannot be excused. For the convenience of the parents the phone system is available 24 hours a day, seven days a week.

When reporting an absence, the parent should give the following information:

1. Their name and relationship to the student
2. The student's name and grade in school
3. The reason for the absence
4. The date or dates of absence

Students who are eighteen (18) years old or older must still have their parents call in to notify the office of absences unless the student has been emancipated. Emancipation is a legal process requiring proof of self-sufficiency.

## **ATTENDANCE PROCEDURE**

Absences are classified as excused, unexcused, or truant. The following will be considered as excused absences:

1. Illness of the child, medical, dental, and/or clinical appointment with valid documentation.
2. Death in the family.
3. Court appointment.
4. Required church observance.
5. Quarantine and communicable disease.
6. School sponsored field trips.
7. Exhibiting a project at the Indiana State Fair.

Any other absence will be recorded as truant until the student's parent contacts the school and is then considered unexcused or truant. Students are expected to make up all their work for any day of absence.

## **ABSENCE RECORDED AS BEING PRESENT IN ACCORDANCE WITH INDIANA CODE**

1. Service as a page in the Indiana General Assembly.
2. Service on a precinct election board or as a helper to a political party on the date of a general, city or town, special or primary election.
3. Subpoenaed to appear in court as a witness in a judicial proceeding.

(The above absences must be pre-arranged by submitting the proper forms to the Main Office during the day prior to being out of school. If the form is not submitted prior to the absence, the absence will not be accepted.)

## **INVALIDATION OF DRIVER LICENSE**

Indiana law states that under certain conditions a student may have his/her driving licenses suspended. The purpose of this law is to encourage student attendance and appropriate academic behaviors and attitudes. In accordance with IC 20-8.1-3-17.2 (a) each governing body shall establish AND include as part of the written copy of its rules and standards "a definition of a student who is designated as a habitual truant." Harris

Academy considers a habitual truant as a student who has been truant more than twice in the same school year.

**Unless the school has been previously informed of extenuating circumstances, the school may initiate parental communication whenever a student reaches 5 absences. This communication will be by phone call or letter. In the event of additional absences, the school may initiate an attendance contract and/or a Hendricks County Project Attend referral.**

**Students whose chronic absences result in a failure to earn credits may be returned to their home high school and lose the privilege of attending Harris Academy.**

## **GENERAL POLICIES**

### **ANTI-HARASSMENT**

#### **GENERAL POLICY STATEMENT**

It is the policy of the School Board to maintain an education and work environment that is free from all forms of unlawful harassment, including sexual, racial, religious (creed), national origin, and disability harassment.

#### **BULLYING**

Bullying is prohibited by Brownsburg Community School Corporation. Students who commit any acts of bullying are subject to discipline including but not limited to suspension, expulsion, arrest, and/or prosecution.

Bullying is defined as overt, unwanted, repeated acts or gestures, including verbal or written communications or images transmitted in any manner (including digitally or electronically); physical acts committed; aggression; or any other behaviors committed by a student or group of students against another student with the intent to harass, ridicule, humiliate, intimidate, or harm the targeted student, creating for the targeted student an objectively hostile student environment that places the targeted student in reasonable fear or harm to his or her person or property; has a substantially detrimental effect on the targeted student's physical or mental health; has the effect of substantially interfering with the targeted student's academic performance; or has the effect of substantially interfering with the targeted student's ability to participate in or benefit from the services, activities, or privileges provided by the school.

This policy may be applied, regardless of the physical location in which the bullying behavior occurred, whenever the individual committing the bullying behavior and any of the intended targets of the bullying behavior are students attending school within Brownsburg Community School Corporation and disciplinary action is

reasonably necessary to avoid substantial interference with school discipline or prevent an unreasonable threat to the rights of others to a safe and peaceful learning environment. Brownsburg Community School Corporation prohibits bullying through the use of data or computer software that is accessed through any computer, computer system or computer network.

Hazing is defined as acting or coercing another, including the victim, to participate in any act of initiation into any student or other organization that causes or creates a substantial risk of causing mental or physical harm to any person. No student shall invite, participate in, coerce, require or request any other student or students to engage in any activity which might degrade, disgrace, or tend to injure, degrade or disgrace or create embarrassment or the risk of physical or mental harm. Bullying and hazing will follow a similar disciplinary track.

The School Board believes that hazing activities of any type are inconsistent with the educational process and prohibits all such activities at any time in school facilities, on school property, and at any school sponsored events. Permission, consent, or assumption of risk by any individual subjected to hazing will not lessen the prohibition contained in this Policy, and will not exempt any student from discipline under this Policy.

The director shall file a written charge with the superintendent of schools. If the superintendent decides that there are reasonable grounds for investigation or that an investigation is desirable, he shall, within one (1) school day after such charge is filed, appoint an expulsion examiner.

If a student is expelled from a school corporation under chapter (20-33-8), the student may not enroll in another school corporation during the period of the expulsion or exclusion unless:

The Brownsburg Community School Corporation (BCSC) recognizes that access to technology in school gives students greater opportunities to learn, engage, communicate, and develop skills that will prepare them for work, life, and citizenship. We are committed to helping students develop 21st-century technology and communication skills. To that end, we provide the privilege of access to technologies for student and staff use.

The full BCSC Acceptable Use Policy outlines the guidelines and behaviors that all users are expected to follow when using school technologies or when using personally-owned devices on the school campus, and is available for review in each school's office or online at: <http://www.brownsburg.k12.in.us/documents/BCSC-AUP.pdf>

### **MEDICATION POLICY**

School personnel may not give medication of any kind to students unless a prescribed procedure is followed. There are two ways a student may receive medication during the school day:

1. A parent may come to school and give prescription medication.
2. In the 2017-18 School Year, BCSC implemented CareDox, a comprehensive digital health suite which replaces the need to complete medical forms every year. Information about the CareDox system is available in the office of your student's school. A CareDox student profile must be completed indicating A school form (the Medication hold Harmless Form) must be filled out by the family doctor authorizing the school nurse or her designee to give the prescription medication. The parent must then sign the form giving consent for the medication to be administered. Forms may be obtained from the district's website. All medicine must be in its original container. There will be no exception to this policy. Students may not have medication in their pockets, lunch boxes, lockers, etc. during school hours. All medicine brought to school must be turned in to the school office.
3. For over the counter medication (OTC) a parent/guardian must register with CareDox, an online secure student health records platform, so that the student may take OTC medication at school. The medication has to be provided by the parent/guardian and will be given according to the directions on the bottle. The dosage needs to be appropriate for the age and size of the student. If the dosage exceeds the recommended dosage on the bottle, permission must be granted by a physician. OTC medication must be in the original unopened container.
4. The General Assembly added I.C. 20-8.1-7-22 stating, "For students in grades nine through 12, medication may be released to them with the written permission of the parent." Further details are available from the school office.
