- All students are valued and respected
- All students will learn in a safe and secure environment

ATTENDANCE

ATTENDANCE POLICY

Regular attendance is essential for normal progress and is required to receive maximum benefit from the educational experience. Attendance at Harris Academy is governed by the Indiana code and local policy adopted by Harris Academy Board of Governors. The State of Indiana places education at the top of its priorities. Accordingly, it is incumbent upon Harris Academy to use every reasonable measure to instill dutiful attendance habits in every student. A day lost in the classroom can never be completely retrieved. The dialogue between the teacher and the students in a classroom environment cannot be effectively duplicated. A very high positive correlation exists between formal learning and school attendance.

REPORTING STUDENT ABSENCE

Parents are expected to telephone the school by 10:00 am to report a student absence. Parents may dial 852-1010 and leave a message. Failure to call will result in your student being considered truant. After 24 hours, without contact from a parent or guardian, absences cannot be excused. For the convenience of the parents the phone system is available 24 hours a day, seven days a week.

When reporting an absence, the parent should give the following information:

1. Their name and relationship to the student
2. The student's name and grade in school
3. The reason for the absence
4. The date or dates of absence

Students who are eighteen (18) years old or older must still have their parents call in to notify the office of absences unless the student has been emancipated. Emancipation is a legal process requiring proof of self-sufficiency.

ATTENDANCE PROCEDURE

Absences are classified as excused, unexcused, or truant. The following will be considered as excused absences:

1. Illness of the child, medical, dental, and/or clinical appointment with valid documentation.
2. Death in the family.
3. Court appointment.
4. Required church observance.
5. Quarantine and communicable disease.
6. School sponsored field trips.
7. Exhibiting a project at the Indiana State Fair.

Any other absence will be recorded as truant until the student's parent contacts the school and is then considered unexcused or truant. Students are expected to make up all their work for any day of absence.

ABSENCE RECORDED AS BEING PRESENT IN ACCORDANCE WITH INDIANA CODE

1. Service as a page in the Indiana General Assembly.
2. Service on a precinct election board or as a helper to a political party on the date of a general, city or town, special or primary election.
3. Subpoenaed to appear in court as a witness in a judicial proceeding.

(The above absences must be pre-arranged by submitting the proper forms to the Main Office during the day prior to being out of school. If the form is not submitted prior to the absence, the absence will not be accepted.)

INVALIDATION OF DRIVER LICENSE

Indiana law states that under certain conditions a student may have his/her driving licenses suspended. The purpose of this law is to encourage student attendance and appropriate academic behaviors and attitudes. In accordance with IC 20-8.1-3-17.2 (a) each governing body shall establish AND include as part of the written copy of its rules and standards "a definition of a student who is designated as a habitual truant." Harris

Academy considers a habitual truant as a student who has been truant more than twice in the same school year.

Unless the school has been previously informed of extenuating circumstances, the school may initiate parental communication whenever a student reaches 5 absences. This communication will be by phone call or letter. In the event of additional absences, the school may initiate an attendance contract and/or a Hendricks County Project Attend referral.

Students whose chronic absences result in a failure to earn credits may be returned to their home high school and lose the privilege of attending Harris Academy.

GENERAL POLICIES

LEAVING SCHOOL BUILDING OR GROUNDS

If a student needs to leave during the school day:

1. The parent shall notify the school by telephone of appointment date, time, and location. Other documentation may be required.
2. The student is required to sign out in the Main Office and obtain a pass prior to leaving school.
3. Students are not allowed to leave the building to go home and take medication and then return to school.
4. Juniors and seniors who are in good academic standing (have earned all credits attempted) may leave campus for lunch. This privilege will be revoked if:
 - a. Students are not passing all of their classes, or
 - b. Students time of return from lunch causes them to be tardy to their next class, or
 - c. Students fail to return from lunch.
5. Students who leave campus without permission may be suspended.

CELL PHONE POLICY

Cell phone usage is permitted in the hallways and during lunch. During class periods, teachers will institute classroom cell phone policies. Students who violate classroom cell phone policies will:

1. Receive a warning to stop using the phone.
2. Turn their cell phone in to the teacher until the end of the class period.
3. If a student argues with the teacher, or cell phone usage has become a chronic distraction, students will be asked to turn their phones into the office until the end of the day.
4. Failure to cooperate with this policy may result in out of school suspension.

NONCUSTODIAL PARENTS

A non-custodial parent, unless denied the privilege by a court order, will be given access to all student report cards, student records, and disciplinary actions. The parent will also be allowed to participate in conferences, classroom visitations, and all other school activities.

The non-custodial parent may not visit with the student during the school day, nor may the student be released to the non-custodial parent unless written permission is given by the custodial parent.

A certified copy of a court order restricting the rights of the non-custodial parent shall be provided to the director should a custodial parent wish to prohibit the distribution of information to, and the school visitations of, the non-custodial parent.

CREDIT CARDS

There will be a \$3 convenience fee charged to the amount being processed per transaction. This convenience fee will be assessed for each transaction and includes online transactions only. The Harris Academy cannot take credit cards at the building.

CAFETERIA

The Harris Academy Café will be open for breakfast and lunch every school day. Breakfast will be served from 7:20 am to 7:45 am for Brownsburg students, and from 8:10 to 8:25 for Avon students. Students may deposit money into their lunch accounts by check or cash, or may pay on a daily basis. Students and/or parents may also make deposits through MYLUNCHMONEY.com (there is a fee for this transaction). Families are responsible for turning off any "auto refill" pre-payments set up in their MySchoolBucks account during summer break (or any other timeframe desired by the family), in order to prevent them from continuing during that time. Transaction fees or other associated costs incurred by the family as a result of not turning off any "auto refill" pre-payment will not be refunded by the district. Students are expected to either bring a lunch from home or purchase a lunch at the Harris Academy Café. Students may not order lunch for delivery at Harris. Parents/Grandparents may deliver food to students between the hours of 12:30 – 12:50 pm.

ENTERING HOME HIGH SCHOOL

Harris Academy students are not permitted to enter their home high schools without permission. The only valid reasons for entrance are 1) work permits, and 2) approved extra-curricular activities. All other visits must be coordinated in advance through the Director of Harris Academy and home high school administration. Violations of this policy may result in disciplinary action.

COUNSELING/THERAPY

Outside therapy observations must be scheduled no less than 48 hours in advance. Therapists will be accompanied by BCSC personnel. The individual coming in to observe must complete the standard background check required of all visitors/volunteers. Outside therapy session cannot take place on the school campus during the course of the school day.

ANTI-HARASSMENT

GENERAL POLICY STATEMENT

It is the policy of the School Board to maintain an education and work environment that is free from all forms of unlawful harassment, including sexual, racial, religious (creed), national origin, and disability harassment.

BULLYING

Bullying is prohibited by Brownsburg Community School Corporation. Students who commit any acts of bullying are subject to discipline including but not limited to suspension, expulsion, arrest, and/or prosecution.

Bullying is defined as overt, unwanted, repeated acts or gestures, including verbal or written communications or images transmitted in any manner (including digitally or electronically); physical acts committed; aggression; or any other behaviors committed by a student or group of students against another student with the intent to harass, ridicule, humiliate, intimidate, or harm the targeted student, creating for the targeted student an objectively hostile student environment that places the targeted student in reasonable fear or harm to his or her person or property; has a substantially detrimental effect on the targeted student's physical or mental health; has the effect of substantially interfering with the targeted student's academic performance; or has the effect of substantially interfering with the targeted student's ability to participate in or benefit from the services, activities, or privileges provided by the school.

This policy may be applied, regardless of the physical location in which the bullying behavior occurred, whenever the individual committing the bullying behavior and any of the intended targets of the bullying behavior are

students attending school within Brownsburg Community School Corporation and disciplinary action is reasonably necessary to avoid substantial interference with school discipline or prevent an unreasonable threat to the rights of others to a safe and peaceful learning environment. Brownsburg Community School Corporation prohibits bullying through the use of data or computer software that is accessed through any computer, computer system or computer network.

Hazing is defined as acting or coercing another, including the victim, to participate in any act of initiation into any student or other organization that causes or creates a substantial risk of causing mental or physical harm to any person. No student shall invite, participate in, coerce, require or request any other student or students to engage in any activity which might degrade, disgrace, or tend to injure, degrade or disgrace or create embarrassment or the risk of physical or mental harm. Bullying and hazing will follow a similar disciplinary track.

The School Board believes that hazing activities of any type are inconsistent with the educational process and prohibits all such activities at any time in school facilities, on school property, and at any school sponsored events. Permission, consent, or assumption of risk by any individual subjected to hazing will not lessen the prohibition contained in this Policy, and will not exempt any student from discipline under this Policy.

Students who engage in bullying behavior shall be subject to a range of punishment with progressive discipline, and parents shall be notified and involved in the educational component of the training as a part of the consequence.

- A. **CYBERBULLYING** (Cyberbullying, Identity Theft, Fraud, Libel) -- The act with the intent to demean and/or the repetitive and hostile behavior with the intent to harm others through the use of information and communication technologies and other web-based/online sites are strictly prohibited. Examples include, but not limited to: Posting slurs, circulating gossip or rumors, sending abusive or threatening e-mail/text messages/instant messages or posting to web sites embarrassing photographs or videos of students, staff or other school employees. Such behaviors are prohibited on or immediately adjacent to school grounds, at any school-sponsored activity, in any district publication, through the use of any district-owned or operated communication tools, including but not limited to District e-mail accounts and/or computers.
- B. **Libel** is considered a written or oral defamatory statement or representation that conveys an unjustly unfavorable impression. A statement or representation that is published without just cause and tending to expose another to public contempt. Students and parents should be cautioned that creating fraudulent web pages (e.g.: My Space, YouTube, Face Book, or other similar websites) under another person's identity is considered a crime.

STUDENT CONDUCT

Students are expected to conduct themselves at all times in a manner that will contribute to the best interest of the school and not infringe upon the rights of others. School rules have been established for these purposes. All students are expected to obey all school rules. Students who violate school rules and regulations will be subject to disciplinary action.

EXPULSION

Any disciplinary action taken whereby a student is separated from school attendance for a period in excess of ten (10) days; is separated from school attendance for the balance of the then current semester or current year unless a student is permitted to complete required examinations; suffers a penalty which automatically prevents his completing within the normal time his overall course of study in the school. The director shall file a written charge with the superintendent of schools. If the superintendent decides that there are reasonable grounds for investigation or that an investigation is desirable, he shall, within one (1) school day after such charge is filed, appoint an expulsion examiner.

If a student is expelled from a school corporation under chapter (20-33-8), the student may not enroll in another school corporation during the period of the expulsion or exclusion unless:

1. that student informs the school corporation in which the student seeks to enroll of the student's expulsion or his/her withdrawal toward expulsion.
2. the school corporation consents to the student's enrollment; and
3. the student agrees to the terms and conditions of enrollment established by the school corporation.

4.any student may be expelled if the legal settlement is not in the school corporation, if no transfer has been granted by the school corporation or has been ordered by the State Board of Education.

AUTHORITY FOR STUDENT DISCIPLINE

Teachers, administrators, and other staff members have the authority to take customary and reasonable measures to maintain proper control and discipline among students placed under their care and supervision.

STUDENT DRESS

The staff at Harris Academy is committed to preparing students for the workplace of the 21st century. Students who come to school dressed in a manner which is inappropriate for a work environment will be counseled and expected to correct their attire.

RENTAL TEXTBOOKS AND CLASSROOM MATERIALS

Students are charged book rental and consumable fees for each class in which they enroll for credit. Books and materials are issued by the classroom teacher and must be returned to the same teacher upon completion of the course or withdrawal from school.

NAME BADGES

Students will be issued badges upon registration. Badges will be used to gain entrance to the building after school begins and will be "swiped" to pay for breakfast and/or lunch. The initial badge is free, however, replacement badges (due to loss or mutilation of original badge) will cost \$3.

STUDENT PARKING

Students may park both in front of and behind Harris Academy. When parking in front of the school, enter through door #1 with student card. If parking behind the building, enter through door #5 by buzzing the school secretary who will unlock the door for entrance. Parking passes can be purchased for \$10. If a student has previously purchased a pass at his/her home high school, it can be traded for a Harris Academy parking pass at no additional charge.

BROWNSBURG COMMUNITY SCHOOL CORPORATION ACCEPTABLE USE POLICY

The Brownsburg Community School Corporation (BCSC) recognizes that access to technology in school gives students greater opportunities to learn, engage, communicate, and develop skills that will prepare them for work, life, and citizenship. We are committed to helping students develop 21st-century technology and communication skills. To that end, we provide the privilege of access to technologies for student and staff use.

The full BCSC Acceptable Use Policy outlines the guidelines and behaviors that all users are expected to follow when using school technologies or when using personally-owned devices on the school campus, and is available for review in each school's office or online at: <http://www.brownsburg.k12.in.us/documents/BCSC-AUP.pdf>

HEALTH SERVICES

HARRIS ACADEMY DOES NOT HAVE A NURSE ON STAFF

COMMUNICABLE DISEASES

The local health officer may exclude from school a student who is believed to have a communicable disease that is transmissible through normal school contacts and poses a threat to the health and safety of the school community.

When assessing, communicating and managing communicable diseases BCSC will follow the recommendations set forth by the Indiana Department of Health's Communicable Diseases Reference Guide for Schools.

PRESCRIPTION MEDICATION POLICY

School personnel may not give medication of any kind to students unless a prescribed procedure is followed. There are two ways a student may receive prescription medication during the school day:

1. A parent may come to school and give the medicine in the clinic. Students are not allowed to leave the building to go home to take medication and then return to school.
2. The student must provide a completed Prescription Medication and Hold Harmless Release Form, complete with written physician authorization for medication and/or a valid and current pharmacy label.

All medicine must be in its original container. There will be no exceptions to this policy. Students may not have medication in their pockets, lunch boxes, lockers, etc. All medication brought to school must be turned in to the school nurse. This policy includes all field trips and extracurricular activities. Students who possess or use prescription medications at school independently from the school nurse will be subject to disciplinary action and possible expulsion from school.

According to Indiana Code 20-33-8-13, a student with an acute or chronic disease or medical condition is allowed to possess and self-administer medication that must be administered on an emergency basis while the student is on school grounds or off school grounds at a school activity, function, or event. In order for the student to self-administer the medication, parents must file an annual authorization. A Hold Harmless form must be completed which includes a written statement from the student's physician authorizing the student to self-administer the medication.

If it is necessary for a student to receive a prescribed narcotic pain medication during the course of the school day, a parent/guardian should contact their school nurse for information. An agreement must be signed by the physician, parent, and school nurse which outlines expectations for students to ensure their safety.

OVER-THE-COUNTER ("OTC") MEDICATION

A parent/guardian must register with CareDox, an online secure student health records platform so that the student may take OTC medication at school. The medication has to be provided by the parent/guardian and will be given according to the directions on the bottle and the dosage needs that are appropriate for the age and size of the student. If the dosage exceeds the recommended dosage on the bottle, permission must be granted from a physician. OTC medication must be in the original unopened container. OTC medication must be kept in the school clinic. For over the counter medications such as cough drops, cold medicine, Tylenol or Ibuprofen, a parent should list the medications in CareDox to indicate student may take this medication at school. Herbal and Homeopathic medications will not be administered at school. Aspirin will also not be administered in the school clinics without permission from a physician. In accordance with the American Academy of Pediatrics, The Centers for Disease Control and Prevention, and the Food and Drug Administration, it is recommended that aspirin should not be given to children under 19 years of age to decrease the risk for Reye's syndrome.

Acetaminophen (Tylenol), Ibuprofen, and Tums will be available for students in the clinic. While the clinic is not a pharmacy, this service is provided to students with onset of a sudden headache, cramps, or other illness/injury that might be relieved with these medications in order to keep them in class. In order for a

student to receive these medications, permission must be granted through CareDox. Medications will be administered according to the directions on the bottle.

To prevent overuse and potential overdose of Over the Counter pain relievers, Over-The-Counter (OTC) medications will not be dispensed by school personnel in the first and last 50 minutes of the school day. The exceptions would be if there was an emergency, fever, acute injury, if the student was staying for after school sport/extra-curricular activity, or at school personnel's discretion.

TRANSPORTING MEDICATIONS

Indiana Code allows students to bring medications to school on the bus as long as they are brought directly to school personnel once the student arrives at school and not removed from personal possessions prior to that time.

Students will not be permitted to transport medications home during the school year or at the end of the school year unless it is indicated on the hold harmless form in accordance with Indiana Code (IC) 20-33-8-13. Students will not be allowed to transport controlled substances, which include narcotic pain medication, Sudafed, and some ADD/ADHD medications per BCSC policy. All controlled substance medications must be transported by a parent or guardian.

At the end of the school year, medications will be disposed of the day after the last day of student attendance unless the authorization form has been submitted or the medication has been picked up by a parent or guardian.
