

BROWNSBURG COMMUNITY SCHOOL CORPORATION
PRESCRIPTION MEDICATION AND HOLD HARMLESS RELEASE

School personnel may not administer any prescription medication without the physician's prescription. This form must be completed by your physician. If medication changes either in type of dosage, a written order by the physician must be sent to the school. Students may carry and self medicate for emergency conditions only (asthma inhaler, bee sting, etc.) with physician's and parent's permission. **This form is good for only one year and must be renewed yearly.**

Medication to be given by school authorities or that the child carries for emergency use shall be labeled with the child's name and medication name.

(Physician's Signature)

(Physician's printed name)

Signs and symptoms which might be observed if any possibility of medication reaction: _____

I (we) hereby give the school nurse, or person designated and trained to give the medication by the nurse, the authority to administer the above medication. In the case of emergency medication, I give my permission for my child to carry and administer this medication.

I (we) shall hold harmless the Brownsburg Community School Corporation, its trustees, administrators, teachers, and employees who may act in reliance upon the authority granted by us.

(Signature of Parent or Guardian)

(Relationship to Student)

(Date) _____

According to I.C. 20-33-8-13 and the BCSC policy, as the parent/guardian of the above student, I give permission for the school to send the above medication home with my child. I have explained to my child that the medication must remain in the sealed envelope and that it must stay in his/her backpack until he/she arrives home. Any emergency medications (inhalers, epipens, etc.) will be sent home the last day of school. Any controlled substances need to be picked up by a parent or guardian before the end of the day on the last day of school or they will be disposed of by the school nurse.
