Last year, our school helped sponsor several families during the holiday season. There were lots of smiles and tears of joy due to your effort and generosity!!! We would like to continue with that spirit of giving to help support our Brownsburg families who may be experiencing financial hardships this year.

You can do this by supporting our annual 'Holiday Coin Drive'.

Throughout this week, November 8th -12th, please bring spare change or dollars to put in your team's bucket.

Happy Veteran's Day
