BROWNSBURG SCHOOLS STATEMENT REGARDING ADVERTISED RALLY ON DECEMBER 18

Brownsburg Community School Corporation (BCSC) was recently made aware of a post on social media about a gathering on Saturday, December 18 by a Second Amendment Rights group. The group lists Brownsburg East Middle School as the location of their rally.

This group did not contact BCSC, have not requested permission to be on school property, nor would be granted permission to be on school property as it would violate Indiana law regarding firearms on school property. BCSC has contacted the Brownsburg Police Department who is aware of this event. Inquiries regarding this event should be made to the Brownsburg Police Department at (317) 852-1109.
